BROAD CREEK PSD'S customer portal (Eye on Water) is live! The water meter customer portal monitors usage, and allows you to get leak and high-water usage alerts, potentially saving you money!

To get started, visit [eyeonwater.com](http://eyeonwater.com) or search for "Eye on Water" in your mobile app store.

Click "Create Account" and follow the steps. You will need your Broad Creek PSD utility account number. Be sure to include the "-0" portion of the account number when registering. You will also need the billing zip code.

If you need assistance, please refer to the "Help" section on the top right of the page or contact Broad Creek PSD by way of email to [ub@bcpsd.com](mailto:ub@bcpsd.com).
